

Volunteer Sign-Up

Volunteering will be a rewarding experience with June Bugs Reruns! Creating an inviting shopping environment and an exciting atmosphere is largely shaped by our wonderful volunteers. By helping us create this atmosphere, we will give you a volunteer pass to shop the sale first. Please remember, you do not have to be a consignor to volunteer with us. We welcome Moms to Be, Grandparents, Dads and anyone else who might love to shop before consignors and the general public!

Please send an email to Tracy@junebugsreruns.com to request your preferred volunteering date and time. Spaces are limited for each time slot so request your time as early as possible to get your ideal choice. We will send you an email confirming your date and time.

Please choose either an 4 hour shift or 2 hour shift during the times available. Feel free to choose 2- two hour shifts to equal 1- four hour shift. This will earn you an early pre-sale volunteer pass.
